

Geiler's P!nk

75 cl

Vinification of Geiler's P!nk

After an appropriate pressing in our pneumatic presses, each wine is vinified with the greatest care and then aged for several months on fine lees to gain structure and reveal their best aromatic expression.

Description of Geiler's P!nk

The nose is greedy and crisp, with notes of morello cherry, strawberry and redcurrant.

The palate is in tune with the nose and offers us the same fresh and fruity aromas, around a beautiful, smooth and enveloping roundness. A liquid candy with grenadine that should be savoured well chilled!

Technical aspects of Geiler's P!nk
