### Vinification of Geiler's Gold

After an appropriate pressing in our pneumatic presses, each wine is vinified with the greatest care and then aged for several months on fine lees to gain structure and reveal their best aromatic expression.

### Description of Geiler's Gold

Beautiful golden colour with fine golden highlights. The nose is crisp with exotic fruits and grapefruit.

The palate, rich in the notes of the nose, offers us a beautiful roundness well enhanced by a fresh and joyful finish.
